***Acceptance of Bylaws and Code of Ethics – for all Members:***

I hereby acknowledge receipt of the Association's Bylaws and Code of Ethics, and I promise to operate my firm in accordance with the spirit and intent of these Bylaws and Code of Ethics. I understand that violation of any Bylaw or any portion of the Code of Ethics will be subject to disciplinary procedures as set out in the Bylaws.

***CHBA CODE of ETHICS***

Members shall comply with applicable building codes of Canada as a minimum standard for construction and shall work toward its improvement in the interests of structural sufficiency, safety and health.

Members shall plan their sites and homes to conform to the principles of good community planning and support for the environment.

Members shall deal justly with their employees, subcontractors, and suppliers of all goods and service commitments.

Members shall exchange information and experience, and encourage research on materials, technical advancements and building techniques in order to provide the best value for their customers.

Members shall avoid all conduct or practice detrimental to the house building industry, to the Association, to the good name or reputation of any of its members, or its customers.

Members shall commit to continuing learning through human resource policies and practices, including employment practices which treat employees as assets.

Members shall actively promote health and safety principles.

Members shall treat their competitors, including their property and ideas, with respect.

These responsibilities are freely and solemnly assumed as they form part of an obligation as a member of the Canadian Home Builders' Association.
